FINCANTIERI
MARINE GROUP

GLOBAL REACH

Fincantieri Marine Group (FMG) is a leading US shipbuilder for the United States Navy and the US Coast Guard, as well as for a wide range of government and commercial customers. Fincantieri Marine Group is the US subsidiary of Italian shipbuilding giant, FINCANTIERI, the largest shipbuilder in the Western World, employing almost 22,000 employees in 21 shipyards on four continents, and sporting a 230-year history of building more than 7,000 ships. Headquartered in Trieste, FINCANTIERI is a global leader in the design and construction of cruise ships, offshore support vessels, mega-yachts and ship repairs and conversions.

The transfer of technology combined with engineering expertise and the financial strength and stability of its parent, provide Fincantieri Marine Group with the resources to provide complete and cost-effective marine solutions. With expansive ship-manufacturing facilities, computerized manufacturing equipment, a large and experienced naval architecture and marine engineering staff, and a highly-trained and skilled workforce of master craftsmen, FMG has become a shipbuilding powerhouse.

JOIN AMERICA'S PREMIER SHIPBUILDING TEAM

Fincantieri Marine Group is a dynamic company, constantly evolving to bring together tradition, experience and innovation. We consider human capital an element of excellence and a primary success factor; we value competences and encourage aspirations, enabling our employees to express and develop their capabilities and ambitions in a challenging, stimulating international environment.

FMG aims to attract, develop and retain outstanding and motivated people, with distinctive intellectual curiosity. We want people who will look ahead beyond the horizon and bring new skills and energy to address shipbuilding challenges. We want professionals who strive for excellence, foster change and improvement, and perform their jobs with integrity and responsibility.

We are convinced that this commitment, engagement and passion will contribute to building the future of our company and our employees.

FMG GREAT LAKES SHIPYARDS

Fincantieri Marinette Marine, in Marinette WI, is among the leading builders of warships for the U.S. Navy, and sports a track record of having designed and built more than 1,500 vessels for government and commercial customers. The company is the builder of the U.S. Navy Freedom Class Littoral Combat Ship, and its government portfolio also includes the improved Navy Lighterage System, Mine Countermeasure Vessels and Ocean Tugs, as well as Icebreakers, Buoy Tenders and the Response Boat-Medium for the United States Coast Guard.

Fincantieri Bay Shipbuilding, in Sturgeon Bay WI, traces its heritage back to 1918 and specializes in the new construction of Articulated Tug-Barge Units, OPA 90-compliant vessels, Offshore Support Vessels, tugs, dredges and dredging support equipment. We are also an industry leader in the sustainment, repair and conversion of both the USCG Great Lakes vessels and the Great Lakes Bulk Carrier Fleet.

Fincantieri ACE Marine, in Green Bay WI, is a state-of-the-art aluminum construction facility. ACE was the builder of the USCG Response Boat-Medium, specializes in the construction of fast response vessels and builds the superstructures for the Freedom Class Littoral Combat Ship.

A SPECIAL QUALITY OF LIFE

The tight-knit communities of Northeast Wisconsin have a great deal to offer everyone. With excellent public and private schools, manicured neighborhoods and beautiful parks, we offer all the benefits of small town living, yet with big city amenities. The communities of Green Bay, Marinette and Sturgeon Bay are rich in the arts and offer unparalleled outdoor activities for both summer and winter sports enthusiasts—from boating and biking to snowmobiling and skiing, and we boast some of the best fishing in the US, endless golf courses, camping, hunting and hiking.

The beauty of our landscape is captivating. The warmth of our people is magnetic. Come discover the unique charm, solid American values, and special quality of life that is magnificent Wisconsin.
